

What Our Premier Status Means to You

Access

As a 3M Premier Service Distributor, we receive notice of the newest 3M products -- often before the rest of the market -- and enjoy special promotions and unique offers. With extra lead time and direct access to the latest and greatest in 3M products and pricing, we are poised to help you keep your business on the cutting edge.

Understanding

We have a dedicated 3M Certified Specialist on our team, ready to provide personalized solutions for even your toughest applications. Our Certified Specialist receives specialized product training at 3M headquarters and works closely with 3M's local product specialists. Our entire sales staff has access to online and field-based training as well as enhanced product information. These resources give us an understanding of 3M product solutions you won't find anywhere else.

Say hello to our 3M Certified Specialist. This onsite expert works to understand your business's priorities and processes, so you get the solutions you need, when you need them.

Confidence

In order to partner with 3M as a Premier Service Distributor, we've demonstrated our company's strength and our commitment to providing ongoing support to our customers. We are dedicated to bringing you value for the long haul.
